

SPOTNAILS LTD

GARDEN BUILDINGS & PET HOUSING

COIL NAILERS FOR CLADDING

MAX CN550S / SCN550S

All come with depth control

2.1 Gauge / 27-50mm Nails

Annular Ring for holding power.

Galvanised or Stainless Steel for extra protection

ATTACHING WIRE MESH

Spotnails WS4840 / 90 Series Stapler

Narrow crown galv staples fit over the wire for a firm, neat hold.

Nose can be modified for quick and easy location over wire.

25mm staples are ideal for this application

FELT NAILING

SPOTNAILS NCN50 CAP NAILER

Ring Galv 18mm nails along with

25mm diameter green plastic caps give better holding power.

No ripple effect on the felt and gives a superior looking finish.

OMER CF15 CORRUGATED FASTENER

Ideal for heavier duty frames and butt joints.

Fasteners available; 25mm x 10/13/15mm

SPOTNAILS PROVIDE A FULL TECHNICAL AND SERVICE BACK UP.
