## SEATING

### CLP-3 CLIPS / CLINCHING TOOL

Type CLP-3 Polycord Clips are the strongest wire fastener available to attach paper covered springs. Quick and easy to apply using a pneumatic clinching tool, it provides the finishing touch to a well constructed seat, adding value to both product and to the production process.

### OMER M2.38 NO SAG TOOL

Speciality tool for attaching spring clips.

25mm Staples are used.

### CLP-3 CLINCHING TOOL

SPOTNAILS PROVIDE A FULL TECHNICAL AND SERVICE BACK UP.
